

KINDNESS WEEK CELEBRATION TOOLKIT

Host your own Gathering of Kindness event

World Kindness Week, Monday 13 - Friday 17 November 2023

The Hush Foundation's Gathering of Kindness aims to build, nurture and instill a culture of kindness throughout the healthcare system, for the benefit of all.

For over two decades we have commissioned and pioneered the use of creative tools including music for wellbeing, theatre for education, and literature and we've hosted events and dialogues - all designed to ignite kindness and reframe care.

Join our kindness tribe and support us in celebrating kindness in healthcare - whether you're a healthcare staff member, community member, team leader or organisational leader.

You are invited....

to host a morning tea, a conversation, a musician, one of our theatre productions, an event - an hour, a morning or a whole week!

WE'VE MADE IT EASY

Let staff and the community you care for know that they can expect kind, efficient and safe team and patient experiences.

Let your healthcare service know that you care.
